

Setting Up the Microsoft Authenticator App

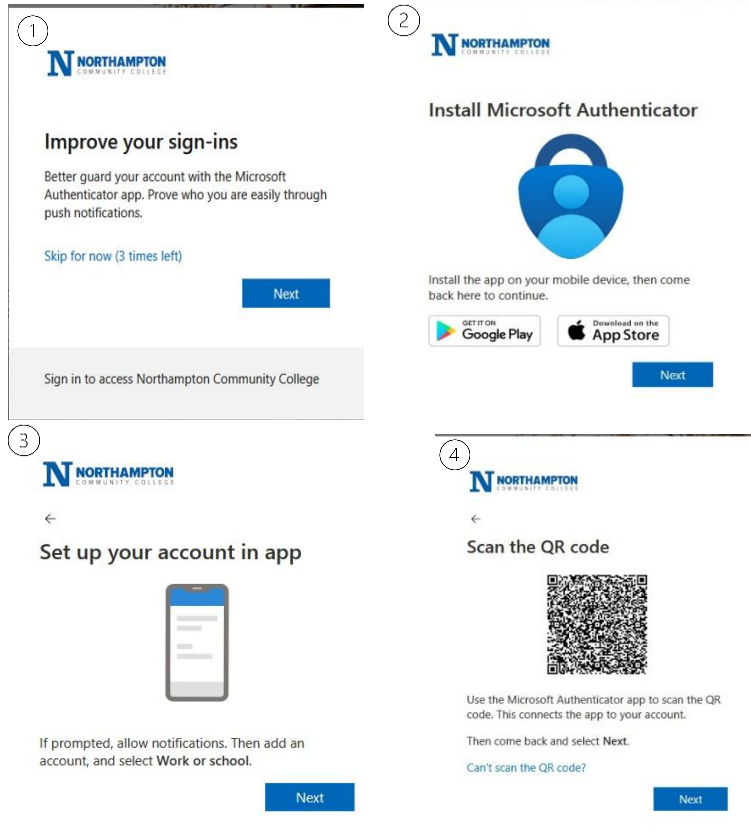

Overview

This overview will show you how to set up your Microsoft Authenticator App.

Instructions to set up the Microsoft Authenticator App:

1. Go to <https://mysignins.microsoft.com/security-info> and sign in with your NCC Email and password
2. You should then be prompted to set up the Microsoft Authenticator.
3. Follow the prompts as shown

below by
clicking
"Next":

4. Once you have scanned the QR code, click on next.
5. You will get a 2-digit code to enter in the popup window on your mobile device.
6. Enter the 2-digit code and confirm.
7. If done correctly you will get a Green Done button. Click on that and you are all setup!

Need Help?

If you experience any issues during setup, please contact the NCC Help Desk for assistance.
